Milliman MedInsight Wins 2025 Best in KLAS for Data Analytics Platform (Payer)

The Milliman MedInsight Payer Platform achieves top ranking with enhanced data analytics and clinical-claims interoperability

SEATTLE – Feb. 18, 2025 – [Milliman MedInsight®](#) (MedInsight), a leading healthcare data and analytics division of [Milliman](#), has been awarded 2025 Best in KLAS® for Data Analytics Platform (Payer). KLAS Research, known for its independent evaluations of healthcare technology, recognized Milliman MedInsight in its 2025 Best in KLAS: Software & Services report. This accolade aligns with Milliman MedInsight’s recent launch of enhanced analytics and integration features built on the [Milliman MedInsight Health Cloud](#).

“Being named the Best in KLAS for Data Analytics Platform (Payer) is a significant achievement and a testament to our team’s dedication to excellence,” said Kent Sacia, CEO of Milliman MedInsight. “Our [Payer Platform](#) is designed to provide health payers with the insights needed for informed decision-making, improved member outcomes, and increased efficiency. This recognition highlights our commitment to delivering innovative and reliable solutions to the healthcare industry.”

Payers interviewed by KLAS praised the company’s expertise, attentive service, and consistent value:

- “(Milliman) MedInsight knows our data almost as well as we know our data, and they can help us figure out the best way to do something,” said one director at a payer organization (November 2024).
- “The new platform is just a lot more robust and is more controlled,” said a payer director. “... [it] makes it easy to find insights and analytics that are helpful for clients” (April 2024).

From 2019 to 2023, Milliman MedInsight had already been ranked Best in KLAS for [Payer Quality Analytics](#). This latest recognition further solidifies Milliman MedInsight’s status as a trusted partner in payer data management.

The Milliman MedInsight Payer Platform assists health plans in monitoring cost and utilization trends, understanding member populations, and targeting high-risk individuals to improve care quality. By combining comprehensive analytics, evidence-based methodologies, and deep industry expertise, Milliman MedInsight empowers payers to optimize performance with confidence.

Milliman MedInsight will be formally recognized at the upcoming [Best in KLAS Awards Show](#) during the [HIMSS Global Health Conference](#) in Las Vegas. Visit us at booth #2065 to learn more about the Milliman MedInsight Payer Platform. For additional information, visit medinsight.com.
