

**FOR IMMEDIATE RELEASE****Press Release****Milliman MedInsight Names Dr. Christopher Kodama as Chief Medical Officer**

Seattle, WA – July 31, 2025 – Milliman MedInsight®, a division of Milliman and a leading provider of healthcare data and analytics software, has named Dr. Christopher Kodama as Chief Medical Officer.

Dr. Kodama brings more than 25 years of experience in clinical practice, executive leadership, and healthcare innovation to the Milliman MedInsight leadership team. His background is expected to further strengthen the organization's ability to deliver data-driven analytics solutions that improve outcomes, enhance operational efficiency, and support informed decision-making.

"We are excited to welcome Dr. Kodama to the Milliman MedInsight leadership team," said Kent Sacia, CEO of Milliman MedInsight. "Dr. Kodama is a highly accomplished healthcare executive and clinician with deep expertise in value-based care, population health, digital transformation, and leadership development. His experience will be instrumental in guiding our customers and partners through the evolving healthcare landscape and accelerating meaningful outcomes through advanced analytics."

Before joining Milliman MedInsight, Dr. Kodama led major initiatives in health system integration, accountable care organization (ACO) development, and performance improvement. As the founding President and CEO of Embright, he established a clinically integrated network serving more than 100,000 lives. At MultiCare Health System, he oversaw the launch of both commercial and Medicare Shared Savings ACOs encompassing more than 3,500 providers.

"I am honored to join Milliman MedInsight, an organization known for its commitment to reliable, data-driven healthcare solutions," Dr. Kodama said. "I am energized by Milliman MedInsight's company culture, and look forward to contributing to sustainable healthcare transformation while partnering with our customers to solve today's most complex challenges."
